In the October Holidays we will be running exam sessions (with included lunch) for all HSC students to encourage the sitting of past HSC exams. The sitting of past exams (under exam conditions) is one of the most thorough ways of ensuring that we perform at our best in the upcoming HSC exams.

Exams are provided (including lunch) from 9:45am each day in the October holidays (except for Sundays) at no additional charge to the HSC Program sessions ($108 for 2 hour small group session).
